## **1. BACKGROUND**

The Tshwane Automotive Special Economic Zone (TASEZ) is co-owned by the Department of Trade, Industry and Competition (the DTIC), the Gauteng Provincial Government (GPG) and the City of Tshwane Municipality (CoT).

TASEZ is registered in terms of the Companies Act No 71 of 2008 and it is the Operator of the Tshwane Automotive Special Economic Zone in terms of the Special Economic Zones Act 16 of 2014. TASEZ is situated in the east of Pretoria City in Silverton. It aims to offer a diversity of appropriate land uses and other economic activities.

Tshwane Automotive Special Economic Zone (TASEZ) owns significant investment property, which includes bulk infrastructure such as water systems, roads, and electricity, as well as several buildings. As part of our compliance with the GRAP (Generally Recognized Accounting Practice) standards, it is necessary to maintain a comprehensive and accurate fixed asset register for these investment properties.

The existing register requires updates to reflect physical verifications, asset condition assessments, and compliance with GRAP standards, including componentisation and calculation of depreciation. The procurement of a qualified professional service provider is essential to ensure that the fixed asset register is fully compliant with GRAP and meets audit requirements. This will enhance financial transparency, facilitate future audits, and ensure the integrity of our financial records regarding investment property.
